

The City of Norwood Young America
Bench Donation Program

Ordering Information

If You're Interested in Donating

Together, the NYA Park & Recreation Commission and City Council have established this Program to give our community members the unique opportunity to honor a special occasion or memory. A dedication may be appropriate in honor of a birthday, anniversary or in memory of a loved one, or for any other special occasion.

Through the Program, individuals may purchase a bench for one of the many beautiful parks, trail corridors or specified commercial areas in the City. The City will provide you with a map of proposed location sites and assist you in finding a location. This dedication provides a lasting remembrance while enhancing the park and trails system, which is utilized daily by people of all ages, as well as creating a more pedestrian friendly community.

Your generous gift will be recognized and appreciated. Should you choose to identify your donation, the bench may be engraved or a plaque may be purchased. The plaque will be adhered to the bench.

The City will provide a pad and secure it for you as well as maintain the bench in the future.

If you would like to participate in the placement of the bench, the City will provide assistance.

BENCHES: COST*
(All benches are constructed of recycled plastic materials).

Park Avenue Bench- 5' \$529.00
- 6' \$562.00

Park Scape Bench- 5' \$475.00
- 6' \$499.00

(Please see back panel for a photo of each bench)

ENGRAVING:

Park Avenue & Park Scape
Bench \$90.00

*Prices are subject to change. Total cost does not including shipping and tax. Shipping costs are approximately \$115 per bench, depending on the style.

If you're interested in making a donation, either a bench or monetary amount, to the City of NYA, please contact City Hall:

310 Elm Street W, PO Box 59
NYA, MN 55368
(952) 467-1800

City Staff will meet with you and assist in planning the donation you would like to make. Once this has been determined, Staff will order the items and install them. Depending on the layout of the proposal, some may require approval from the Park and Recreation Commission and City Council. All proposals are subject to approval by the Norwood Young America Public Works Director.

Thank You

For your heartfelt contribution to the
City of Norwood Young America!
