SUBJECT: Recap June 19th Flooding Events

=====

Proposed is to have a discussion on the flooding event that occurred on June 19th. City Departments will provide a recap of their roles and experiences of that day. As a group, we'll identify what things went well, what not so well, and what possibly could be done differently in the future. In addition, proposed is to discuss and consider establishing a City Emergency Management Plan. Currently the City utilizes Carver County's Plan.
