

### CITY COUNCIL AGENDA

December 14, 2020 - 6:00 p.m. City Council Meeting Zoom Meeting https://us02web.zoom.us/i/2334975750 Meeting ID: 233 497 5750

### CITY COUNCIL

- Call Meeting of City Council to Order
  - 1.1 Pledge of Allegiance
- 2. Approve Agenda
- Introductions, Presentations, Proclamations, Awards, and Public Comment (Individuals may address the City Council about any non-agenda item of concern. Speakers must state their name, address, and limit their remarks to three minutes. The City Council will not take official action on these items but may refer the matter to staff for a future report or direct that the matter be scheduled for a future meeting agenda.)

#### 4. Consent Agenda

(NOTE TO THE PUBLIC: All those items listed as part of the Consent Agenda will be approved by a single motion, unless a request to discuss one of those items is made prior to that time. Anyone present at the meeting may request an item to be removed from the consent agenda. Please inform the Council when they approve the agenda for this meeting.)

- 4.1 Approve minutes of November 23, 2020 meetings
- 4.2 Approve payment of Claims
- 4.3 Approve hiring of Temporary Snow Removal Workers
- 4.4 Approve Resignation of John Fahey from the Planning Commission
- **Approve Commissioner Reappointments**

### **Public Hearings**

5.1 Truth In Taxation Hearing – 2021 Budget and Property Tax Levy

#### **Old Business**

#### 7. **New Business**

- 7.1 Approve The Harbor 2021 Budget
- Approve Fire Fighters Wage Increase 7.2
- 7.3 Approve Resolution 2020-37, Fire Department Pension Increase
- 7.4 Approve purchase of Fire Department Pagers
- 7.5 Approve Resolution 2020-38, Approving Contributions
- 7.6 Approve Resolution 2020-39, Adopting 2020 Final Property Tax Levy
- 7.7 Approve Resolution 2020-40, Adopting 2021 Final Budget
- 7.8 Approve 2021 2025 Financial Plan
- 7.9 Approve awarding quotes for Ditch Clean-up
- 7.10 Review Snow Plowing COVID Emergency Plan
- 7.11 Consider Liquor License Reimbursement

#### 8. Council Member & Mayor and Staff Reports

#### 9. Adjournment

The following informational items have been included in the Council packet for informational purposes, council review and discussion. No action is required by the City Council: Carver County Sheriff's Office November Report; COVID Exposure Notification Information

### **UPCOMING MEETINGS / EVENTS**

December 15 Parks and Recreation Commission - 4:45 p.m.

December 16 Safety Committee - 2:00 p.m.

December 17 Senior Advisory Committee - 9:00 a.m.

December 24-25 Christmas Holiday - City Office Closed

December 28 EDA, City Council, Work Session - 6:00 p.m.

January 1 New Year's Day - City Office Closed

January 5 Planning Commission - 6:00 p.m. January 11 January 11 January 12

Personnel Committee – 5:00 p.m. City Council – 6:00 p.m. Fire Contracts Meeting with Townships – 6:00 p.m.

CITY COUNCIL Minutes

November 23, 2020 – 6:00 p.m. City Council Meetings

Zoom Meeting

https://us02web.zoom.us/j/2334975750

Meeting ID: 233 497 5750

Attendees: Carol Lagergren, Charlie Storms, Craig Heher, Dick Stolz, and Mike McPadden Staff Present: Steve Helget (City Administrator), Tony Voigt (Public Service Director), and Angela Brumbaugh (Clark Transpure)

Angela Brumbaugh (Clerk-Treasurer)

Others: Jake Saulsbury (City Engineer, Bolton & Menk), Cynthia Smith-Strack (City Planner), Brad Falteysek (Abdo Eick and Meyers), Pat Shanahan (and spouse), Alan Krueger, Stan and Lois Schultz, Owen Murphy, George Holden, Paul Schwichtenberg, Mitch

### Call Meeting of City Council to Order

Mayor Lagergren called the virtual meeting to order at 6:02pm. Roll call of attendance: All members were present.

### 2. Approve Agenda

Motion: MM/DS to approve the agenda as listed. Roll call vote. Motion passed 5-0.

### 3. Introductions, Presentations, Proclamations, Awards, and Public Comment

### 4. Consent Agenda

- 4.1 Approve minutes of November 9 and 13, 2020 meetings
- 4.2 Approve payment of Claims
- 4.3 Approve Agreement for Planning Consultant Services
- 4.4 Approve Election Judges Termination of Employment
- 4.5 Approve Appointment to the Economic Development Commission

Motion: CH/MM to approve consent agenda. Roll call vote. Motion passed 5-0.

### 5. Public Hearing

- 5.1 Oak Lane Improvement Project Preliminary Special Assessment Hearing
  - Jake Saulsbury discussed the timeline for the project and improvements
  - Needs a 4/5 vote for the project to proceed
  - Existing street is 22 feet wide which is the same as the proposed, with 1 ft shoulders and no curb and gutter
  - 4 ½" of black top and 9" of aggregate
  - Total street improvement project costs is \$479,000
  - Storm Sewer-replace the culverts
  - City has a large parcel where trees would need to be removed
  - Total storm sewer project cost is \$57,000
  - Sewer and Water broken into different sections
    - West side is a gravity sewer extension from the North Estimated cost of \$137,000
    - Watermain extension from the West from Industrial Park area estimated cost is \$87,000
    - On the East- side there is a sewer main only which would be directionally drilled from the North with an estimated cost of \$122,000.
       This doesn't include the cost of the two easements that are needed.
  - The total estimated cost is \$882,000 for the Street, Storm Sewer, and Utilities
    - 60% is Street and Storm Water
    - 40% is Utilities

- Will likely be financed with a bond and may be combined with another project
- The bond would include tax revenues, special assessments, various Utility funds, and other City fees
- Assessments calculated per the Policy
- There are 14 properties within the project. 13 properties are private and one is the City.
- Recommended to use the unit method. The City parcel has multiple units assigned to it.
- Estimated cost is approximately \$9,800 per unit/parcel.
- The vacant 4 lots per policy= Sewer \$13,700, water \$8,700 or \$22,400 per parcel.
- The properties that were part of the 2003 project would be assessed at the previously identified rate table of \$15,441.
- Total estimated private assessments is \$253,177
- Total estimated city cost, including property assessment is \$629,226
- Estimated bond rate is 3.5% with the assessment rate of 4.5% at a 15 year term.
- Recommending we obtain assessment appraisals to be sure the valuation increase would agree with the added assessment.
- Intent would be to set it up with a 2021 project

### Public Hearing was opened up for comments/questions:

#### Pat Shanahan

- \$15,441 was the amount that was offered when it first started.
- Concerned the amount is almost \$10,000 more
- Stated he couldn't hook up because there wasn't any sewer before
- Saulsbury stated his understanding there was no thought to develop the last time it was discussed in 2011 and they would be assessed later on
- One of the reasons for the appraisal is due to the Shanahan lots and the assessment on it

Lagergren did ask if there are any residents that wanted to speak to the issue of paving or not paving the road.

- It was asked how the frost heaves were going to be addressed
- Saulsbury stated we would add 12" of a sand product to get a more stable road base.

### Paul Schwichtenberg

- Feels if it isn't paved now it would just be brought up in the future
- Saulsbury stated with doing the unit approach each property would have the same assessment which is approximately \$10,000.
- If the road isn't paved there are only seven properties assessed, 4 Shanahan properties would be approximately \$23,000 each and three properties haven't paid the future availability charge of \$15,400.
- The \$15,400 is if they connect in 2021. If the property owners wait it does have a cost of living built in and would cost \$16,305 if connected in 2022.
- The three properties did not have full access to water/sewer until now.

#### Stan and Lois Schultz

 Feels they have one of the best streets but they are willing to go along with paving if everyone else is.

Motion: DS/CS to approve closing the public hearing. Roll call vote. Motion passed 5-0.

#### Old Business

### 6.1 Approve Amendment to Contract for Police Services

- Proposal from Sheriff's Office to amend 2021 to not raise the rates
- Added some additional "where as"

- Spoke with the Commander, his comment was the intent is we would be paying for any costs that would be incurred
- Our Attorney recommended we enter "Incurred prior to determination"
- County concurred with the change

Motion: DS/CH to approve the Amendment to Contract for Police Services. Roll Call vote. Motion passed 5-0.

#### 7. New Business

# 7.1 Approve Resolution 2020-34, Resolution Ordering Improvement and Preparation of Plans

- We need to be prepared for some of the costs to rise after the appraisals because some seem rather high and that would shift costs to the City
- Nice to have public hearing to find out that Property Owners really want it paved
- Need to remember that using 429 process we need to have at least 20% assessable
- Currently with the numbers in the presentation we are at 23% assessable. If that
  goes down we would need to be more creative on financing.
- All of the Shanahan lots were looked at when the plat was completed.
- Utility easements are the City costs
- City fronted the costs. The slide showing the schedule is the same one still used.
- Deadlines in 2023 which agrees with the annexation agreement with the Township.
- Council had extended the deadline on trunk fees because it wasn't available.
   Once in 2014 and once in 2016.
- Saulsbury stated the components to discuss tonight is are we going to do all of the components or not.

Motion: CH/CS to approve Resolution 2020-34, Resolution Ordering Improvement and Preparation of Plans. Roll Call vote. Motion passed 5-0.

- Saulsbury stated the only thing not included in the resolution is if the Council would like to do an assessment appraisal.
- Saulsbury stated the one he did in 2019 which included 7 properties cost the City \$7,500.

# 7.2 Approve Resolution 2020-35, Receiving Feasibility Report and Calling Hearing on Improvement for 2nd Avenue Lift Station and Street Improvements

- Total Project Cost for storm sewer \$83,000.
- Water main replaced with an 8" PVC main \$171,000.
- Sanitary Sewer replace manholes (3), lift station the largest part, force main upsized with higher flows, potential of contaminated soil but not enough data yet - \$823,000
- Total is approximately \$1.8 million.
- Doesn't meet the 20% assessable amount for 429 bonds so would need other forms of financing.
- Street assessment front foot method \$135/foot.
- The assessments would range from \$3,400 to \$22,000, excluding the one property.
- Unit method comes out to \$19,300 per unit.
- City pays for half that are double fronted.
- Large amount of City costs because of the lay out of the land.
- Water assessment \$6,600 per unit. Only 5 would have this of the 13 properties as the other properties are serviced from other areas.
- Project would start late spring early summer
- Leave the existing pump station as long as possible but would need a full road closure for it to be safe.
- Currently the engineering specs has it as a truck route with 37' street with curb and gutter

- Figured at 6.5" of black top and 14" of aggregate.
- Cost is estimated at \$726,000
- 2nd street is not a truck route so it would take approximately \$200,000 off if we take
  off the extra costs for a truck route.
- \$1.8 million project but it is closer to \$1.6 if we take out the truck route portion for 2<sup>nd</sup> Street.

Motion: CH/CS to Approve resolution 2020-35, Receiving Feasibility Report and Calling Hearing on Improvement for 2<sup>nd</sup> Avenue Lift for December 28th. Roll Call vote. Motion passed 5-0. Council agreed we should do assessment appraisals.

### 7.3 Approve Resolution 2020-36, Kwik Trip Site Plan for a Building Addition

Smith-Strack discussed the permit for 520 Reform Street North.

- Property is zoned C2
- The total proposed addition is 1,470 sf.
- This is consistent with the comprehensive plan.
- 32 parking spaces on our code is required.
- No change in existing access
- Planning Commission discussed at the November 4<sup>th</sup> meeting and is recommending approval by the Council based on all conditions listed.

Motion: CH/MM to Approve Resolution 2020-36, Kwik Trip Site Plan for a Building Addition. Roll call vote. Motion passed 5-0.

### 7.4 Consider Request to Waive Rental Dwelling Unlicensed Fines

George Holden owner of Young America Apartments submitted a request for waiving fines on his licenses of rental property. He did not obtain his licenses until March of 2020. A letter was mailed out in October 2019 regarding outstanding fines, per City Code. Mr. Holden is requesting waiver of the fines from 2019.

- Purchased the buildings in 1986
- Apartments consist of 4 buildings with 8 apartments in each building
- Low rent
- Has never paid any fines in the last 45 years
- Handed in papers and fees on January 3<sup>rd</sup>, then found out forms were filled out incorrectly
- They are counted as 4 individual buildings, did the same way as 2016 but was informed this time was done incorrectly.
- Raised an issue why needed to give each residents name and phone number
- Part of the issue is the names and phone numbers change frequently. Don't keep track of anyone under 18 years of age.
- Came through the inspection with one smoke alarm not working and repairing a back door
- Back door still worked but needed to be repaired. Chose to replace it.
- Currently facing a \$61,000 assessment with the interest
- Stolz talked through the timeline given as it showed different communication given and questioned why it took so many months for Holden to respond
- Holden stated he was in contact with the City to let the City know where he was at in correcting the items that needed to be repaired.
- Lagergren questioned if the fines accrued from January 2019 through March 2020.
   Helget stated we would have been assessing from the beginning of the year when the license was due.
- Holden agreed a small portion may be his mistake but he was also short-staffed.
- Council agreed the fees seem excessive but felt there had to be some fee assessed and do not want to set any precedence for people to feel they don't have to pay fines.
- Options: Treat the buildings as one instead of four, pick an amount, go with a percentage, one relicensure fine because it's the same property owner.

- Holden stated his Lawyer's comment was the City could put an abatement on it and put a time frame such as 3 years. If he screws up in 3 years the full fine would be assessed.
- Suggestion was made that the City may need to talk about it being approved not just submitted but also discussed that it does state in Chapter 3 of the licensing that it must be completed.
- It was agreed that whatever is decided by the Council, the Lawyer's recommendation
  that it cannot happen within a period of time or the full amount is due and payable
  should be added.

Motion: MM/CS to table the consideration of waiving rental dwelling unlicensed fines . Roll call vote. Motion passed 5-0.

### 7.5 Review Draft Five-Year Financial Plan Update.

Brad Falteysek with Abdoe, Eick, and Meyers discussed the assumptions, goals, and highlights:

- Expenses increasing at a 3% inflation rate
- Housing Growth included
- Updated Capital Plan
- Continuing to budget for the land purchased from the County
- Including new bond schedules
- \$538,000 levy for capital equipment in 2021 and then \$400,000 thereafter
- Reduce amount of reliance on LGA in the next 15 years.
- Funds left in 320 of approximately \$52,000 planning on using for 2021 improvement project.
- Due to COVID-19, may have to use some of the reserves in future years.
- New bond issuance next year for Oak Grove/Lane Street Utility Project in the amount of \$2-\$2.4 million.
- Maintain a 70% cash reserve (increased from 50% due to the pandemic)
- Maintain reserves in the debt service fund to pay off debt
- Maintain capital resources in capital fund
- Maintain bond rating at AA-
- Reduce tax rate from 76%
- The scheduled levies from 2019, 2020, preliminary 2021 with the rest of the years at a 3% increase
- As a Council need to decide what additional funding is going to be used for if the intent is to stay with a 3% increase each year
- Generating about \$500,000 the next two years then \$600,000 after that
- Currently looking at a 76.4% tax rate for 2021. With the possible growth, looking at the increased tax capacity. Ending 2025 with a 74.6% tax rate including the 3% growth.
- Residents are getting taxed at the tax rate. It may go up based on property values.
- Storm water is no longer an enterprise fund because it was not self-sustaining.
- The 275 capital project fund-this is where the capital equipment is going. (The \$538,000 and then \$400,000 thereafter)
- The street improvement fund is getting additional dollars each year.
- No increase in water and sewer rates. Haven't changed for the past 4 years.
- Schedule on transfers is listed.
- Capital equipment plan is also listed
- Would still need to decide each year if going to make these purchases.
- The Water/Sewer and Governmental cash flow is listed at the very back. This will fluctuate from year to year based on needs.
- 2021 projected increase of \$5600.
- The charts compare with other Cities and others just compare ourselves.
- If comfortable with 3% increase it does generate some additional resources.

### 7.6 Review COVID-19 Plans for Holiday Extravaganza and Breakfast with Santa Events

Per Governor's orders we must have a COVID-19 plan in place.

- Breakfast with Santa will be a drive thru' at Old Town.
- Holiday Extravaganza nothing in the Pavilion everything will be outside from 2-7 p.m.
- Tree Lighting will be virtual on Facebook live.

7.7 Approve Scheduling a Special City Council Meeting

Discussed having a special meeting with EDC on December 9<sup>th</sup> at 6:30 to discuss a Food Co-op. This is an information only meeting.

Motion: CS/MM to schedule a Special City Council meeting on December 9<sup>th</sup> at 6:30 p.m. via zoom for the purpose of holding a joint meeting with Norwood Young America Economic Development Committee for the purpose of discussing the concept of a Food Co-op. Roll call vote. Motion passed 5-0.

### 8. Council Member & Mayor and Staff Reports

Heher (Planning Commission): Nothing at this time.

Stolz (Senior Advisory): Not a lot of activity due to COVID-19. Our Senior Housing is really getting hit especially staffing. Activity is pretty much shut down.

Storms (Parks and Rec): A lot of discussion on Legion Park Playground Equipment. Hoping to have something by January-February. Nothing new with Old Town. A company agreed to do a scope study to get an idea what it is going to cost to rebuild. Would like to go out for bids next year.

McPadden (EDC): Mainly discussed the Food Co-op and the end result was wanting more information from another guy that started many of them. A lot of co-ops try to utilize local farmers.

Lagergren (Mayor): Southwest corridor group met. Linda will be coming in January to go over Phase 1 and 2 of the expansion, how much money has been raised, and the timeline. Helget (City Administrator): Nothing at this time.

### 9. Adjournment

Motion: CH/MM to adjourn at 8:45 PM. Roll call vote. Motion passed 5-0.

| Respectfully Submitted,              |                        |
|--------------------------------------|------------------------|
|                                      |                        |
|                                      | Carol Lagergren, Mayor |
| Angela K. Brumbaugh, Clerk-Treasurer |                        |

### **CITY COUNCIL WORK SESSION Minutes**

November 23, 2020 City Council Meetings Zoom Meeting

https://us02web.zoom.us/j/2334975750

Meeting ID: 233 497 5750

Attendees: Carol Lagergren, Charlie Storms, Craig Heher, Dick Stolz, and Mike McPadden Staff Present: Steve Helget (City Administrator), and Angela Brumbaugh (Clerk-Treasurer) Others:

### Call Meeting of Work Session to Order

Mayor Lagergren called the meeting to order at 8:45 p.m. Roll call of attendance: All members were present.

### Approve Agenda

Motion: CS/MM to approve the agenda, as submitted. Roll call vote. Motion passed 4-0.

### 1. COVID Update

Lagergren discussed that the numbers continue to rise in the State, Nation, and City. Helget and Herself were in a meeting today regarding COVID.

- The number of cases since the beginning of March was 131 and as of today they were 158.
- Every City and Township in Carver County continues to increase.
- Most City Halls are now closing until the numbers go down.
- Mayer and New Germany were not at the meeting and Watertown is deciding tonight.
- Because we are under an Executive Order a motion is not needed it can be done by the Mayor.
- It was agreed to close City Hall until the end of the year unless there is a significant decrease, effective November 30<sup>th</sup>.
- Rental Properties need to be down to three families or 10 people. All people have been contacted
  and will not be taking any reservations until after January 1st.
- Bars are closed again. Last time that happened we did give them a partial refund. Only bars are closed for the next 4 weeks.
- Stressing that the Street Department should be driving in separate vehicles whenever possible and wearing masks whenever they are close together.
- Do need a snow removal plan in place in case we have people quarantined.

| 4. | Adjournment |  |
|----|-------------|--|
|    | ]           |  |

Motion: MM/CH to adjourn at 8:50PM. Roll call vote. Motion passed 5-0.

Voided checks

**Prepaids** 

Claims Pending Payment

(Check #31323 – 31383) \$123,989.73

Grand Total <u>\$160,302.89</u>

Honorable Mayor Lagergren and City Council Members

FROM:

Angela Brumbaugh, City Clerk / Treasurer

DATE:

December 14, 2020

RE:

Payroll check numbers

Eloise noticed that the payroll check numbers did not go in numerical order from the last payroll check run. Upon looking into this further, Banyon has assigned the numbers to a few different payrolls with some numbers being assigned with \$0.00 amounts. The numbers on the list in this packet are correct for this payroll.

Please let us know if you have any questions. Thank you.

RE:

Appointing Scott Rannow & Steven Noll as Temporary Emergency Snow Removal

workers

As part of the COVID-19 emergency plan regarding snow removal, we would like to have a few people that can fill in for snow removal in the event our Public Service Staff is unable to work. The following people have agreed to be temporary, on-call employees for the City of Norwood Young America:

- Scott Rannow Scott worked as a Seasonal Public Service Employee for us this
  past summer. His termination date has been over 30 days therefore will not be
  PERA qualified by coming back for a different seasonal duty.
- Steven Noll Has filled out a Seasonal application and Tony has approved the recommendation.

These positions do not accrue any benefits and will not be eligible for PERA. They will only be used in the event we do not have enough current staff during a snow fall.

#### Recommendation:

Hire Scott Rannow and Steven Noll as Temporary On-call Public Works Employees for snow removal at Pay Grade 5 (Part-time) Step 8 at a rate of \$16.31/hour effective December 15, 2020.

RE:

Resignation of John Fahey from Planning Commission

John Fahey would like to regretfully resign his position on the Planning Commission. As his schedule becomes fuller, he is afraid he will not have the time to devote to the Commission.

#### Recommendation:

A motion to accept the resignation of John Fahey from the Planning Commission, effective 01/01/2021.

RE:

**Appointing Commission Members** 

The following commission Members terms expire as of 01/01/2021 and each of them has requested to be re-appointed to the Commission they are currently serving:

**Economic Development:** 

**Jason Winters** 

Planning Commission:

Bill Grundahl Mike Eggers

Parks & Recreation:

Sharilyn Feltmann

Senior Advisory

JR Hoernemann LaVonne Kroells

These are all three (3) year terms and will expire on 01/01/2024.

### Recommendation:

A motion to approve the reappointment of the above listed people for commissions for a 3-year term with an expiration date of 01/01/2024.

SUBJECT:

Truth In Taxation Hearing - 2020 Property Tax Levy and 2021 General Fund

**Operating Budget** 

The Truth in Taxation public hearing is scheduled for 6:00 p.m. for the purpose of providing an opportunity to the public to comment on the proposed 2021 property tax levy and Budget. Enclosed is the proposed final 2021 Budget.

The proposed final levy is \$3,017,107 which represents a \$81,450 or 2.77% increase. Of the total proposed levy, \$875,574 or about 29% is dedicated for debt service payments in the General Fund.

The proposed General Fund Operating Budget is \$2,474,220 which represents about a 5.2% or \$123,750 increase from 2020. The Capital Outlay budget is proposed to be \$528,000 which is an increase of \$51,000.

The 2021 operating budget for the water and sewer enterprise funds is \$1,811,923. The enterprise funds budget reflects about a \$131,723 shortfall (revenues versus expenditures). No utility rate fee increases are proposed in the 2021 Budget.

Enclosed are the proposed Resolutions 2020-39 and 2020-40 which approve the 2021 Property Tax Levy and General Fund Operating Budget respectively.

### **Suggested Motions:**

Motion to approve Resolution 2020-39, a resolution adopting Fiscal Year 2020 Final Property Tax Levy for the City of Norwood Young America for collection in 2021.

Motion to approve Resolution 2020-40, a resolution adopting the 2021 Final General Fund Operating Budget for the City of Norwood Young America.

Norwood Young America

# **RESOLUTION 2020-39**

# A Resolution adopting Fiscal Year 2020 Final Property Tax Levy for the City of Norwood Young America for collection in 2021

WHEREAS, the City of Norwood Young America is dependent upon collection of property taxes to fund a portion of its operating budget and to pay bonded debt obligations.

NOW THEREFORE, BE IT RESOLVED, that the City Council of the City of Norwood Young America, Carver County, Minnesota, hereby adopts the following property tax levy for collection in 2021 upon taxable property in the City of Norwood Young America for the following purposes:

\$1,605,533

General Fund Levy

| 2009 Taxable Public Project Lease Revenue Bo         | nds \$148,943                              |

RE:

Increase Firefighter hourly wage to \$11 per hour

At the September 14, 2020 Personnel Committee meeting, Fire Chief ZumBerge discussed the Officer Salaries along with a comparison of salaries and wages with surrounding Cities. He stated we currently pay approximately 4,700 hours in Firefighter time.

After discussion with the Personnel committee, it was approved to recommend an increase of \$1 per hour (\$11) for the Firefighters effective January 1, 2021.

### **RECOMMENDATION:**

Personnel Committee recommends giving the Firefighters \$11 per hour which is a \$1 an hour increase effective January 1, 2021.

RE:

Resolution 2020-37 Opting to Increase Retirement Benefit Level for Firefighters

The Norwood Young America Volunteer Firefighters joined the statewide Public Employees Retirement Association (PERA) in January of 2013. The benefit is currently \$2,700 Per year per firefighter. The Fire Department requested and received a cost analysis of the benefit level from PERA. Increasing the 2021, benefit level to \$2,800 per year per firefighter. At the \$2,800 per year benefit level the cities required 2021, contribution would be \$2,151. The 2021 budget has \$3,500 allocated to the PERA contribution. The City Council of Norwood Young America may also consider approving that the remaining monies, \$1,349 be used as a 2021, voluntary PERA contribution.

### **Proposed Motion:**

Motion to approve Resolution 2020-37, a resolution opting to increase the PERA level for vested Norwood Young America Firefighters.

Motion to approve a voluntary 2021, PERA contribution of \$1,349.

#### **RESOLUTION 2020-37**

# A RESOLUTION OPTING TO INCREASE THE BENEFIT LEVEL FOR FIREFIGHTERS WHO ARE VESTED IN THE STATEWIDE VOLUNTEER FIREFIGHTER PLAN

WHEREAS, The City previously authorized the fire department to join the Statewide Volunteer Firefighter Plan administered by the Public Employees Retirement Association (PERA); and

WHEREAS, The City requested and obtained a cost analysis of increasing the benefit level for firefighters who are vested in the Statewide Volunteer Firefighter Plan from PERA not more than 120 days ago; and

WHEREAS, The City understands that Minnesota statute allows an increase in benefit levels if the plan is fully funded, but does not have provisions for a decrease in benefit levels; and

WHEREAS, The City highly values the contributions of City Fire Department members to the safety and well being of our community and wishes to safeguard their pension investments in a prudent manner.

NOW THERE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF NORWOOD YOUNG AMERICA, CARVER COUNTY, MINNESOTA, that the City of Norwood Young America 2040 Comprehensive Plan, including the Comprehensive Sewer Plan, is adopted and is effective as of the date of this resolution.

- 1) The City hereby approves an increase in the benefit level for firefighters who have completed at least 5 years of good time service credit as a member of the Statewide Volunteer Firefighter Plan administered by PERA at the \$2,800.00 benefit level per year of service, effective January 1, 2021; and
- 2) The City Clerk and Mayor are hereby authorized to execute all documents necessary to effectuate the intent of this resolution.

RE:

Purchase 13 Unication G5 Stored Voice Pager

In October 2017, the Carver County Sheriffs' office informed the Carver County Fire Chiefs association that they intended to sunset the VHF fire paging system. This decision was based on the age of the VHF system. The fire paging will be done through the 800 MHZ system that the county is already utilizing for radio communications.

Prior to 2017, the county fire department exclusively used VHF pagers. October 2017, the Sheriffs' office started to encourage county fire departments to start replacing the VHF pagers with 800 MHZ pagers. Recently, the Sheriff's Department announced that December 2022, the VHF paging system would sunset.

Currently NYAFD has 35 pagers.

- 22-VHF
- 13-800 MHZ

In the 2020, capital expenditure budget there is \$10,000 dedicated for the matching portion of the 2020, FEMA radio grant. As of today, the success of this grant application is not known. In the budget for 2021, there is \$10,000 dedicated to the matching portion of a FEMA radio grant.

### Proposed Motion:

Motion to reallocate the \$9,995.00 dedicated to the 2020, FEMA radio grant, for the purchase of 13 Unication G5 Stored Voice Pagers.

# INTRODUCTORY SECTION

CITY OF NORWOOD YOUNG AMERICA, MINNESOTA 2021 - 2025 FINANCIAL PLAN

# THIS PAGE IS LEFT BLANK INTENTIONALLY

Honorable Mayor and City Council City of Norwood Young America 310 Elm Street West Norwood Young America, Minnesota 55368

#### Introduction

We have prepared the attached 2021 - 2025 Financial Plan for the City that is intended to give a big picture view of the status now and through year 2025. We have scheduled projected tax levy, cash balances, planned capital and debt for the City based on assumptions by management. We have not examined the projection and do not express an opinion or any other form of assurance on the accompanying schedules or assumptions. Furthermore, there will usually be differences between the forecasted and actual results, because events and circumstances frequently do not occur as expected and those differences may be material. We have no responsibility to update this report for events and circumstances occurring after the date of this report. The City's assumptions made are as follows:

### **Assumptions**

- 1. Normal operating expenses will increase by a three percent inflation rate.
- 2. Housing growth is assumed at seven units per year each with an average community market value of \$196,600 increasing by 2 percent per year. The City has had 28 permits (22 single family, 6 twin home units) issued in 2020.
- 3. Equipment has been identified in the capital plan and is to be expended in the capital fund (275).
- 4. The City purchased properties from Carver County in 2016 with a cash outlay from the General fund of \$260,000. This created an approximate \$1 million cash savings by eliminating the \$48,500 annual payment that was due to the County through 2044. The City will reimburse itself by continuing to budget the \$48,500 expense until it reaches \$260,000 which is projected to be in 2023.
- 5. The 2020A bond will have sufficient resources through the use of tax increment transfers to allow the scheduled tax levies to be reduced approximately \$250,000 per year through the projection period.
- 6. The plan includes \$538,000 levy to the capital fund in 2021 and a minimum of \$400,000 in years thereafter.

### **Assumptions with Future Action**

- The City will strive to reduce its reliance on the State's Local Government Aid (LGA) program, by not budgeting
  the full projected certification. Due to COVID-19, the City is budgeting for a reduction in LGA due to the state of
  Minnesota's revenue projected losses in 2020. In 2021 the budget includes a reduction of \$70,000. In the event
  LGA is not reduced, this budgeted reduction will go to increase reserve balances within the General fund.
- As bond obligations for each fund are completed, Council will need to make a decision for the remaining cash reserves that could be transferred to other debt service funds or any other fund.
- 3. Fund 320 2013 Infrastructure fund. There currently is approximately \$52K of cash in the fund. City Council has discussed utilizing these funds for the 2021 Improvement project.

### **Key Highlights**

- The General fund builds on the reserve throughout the life of the projection with the assumptions of increasing levy to build the General fund balance reserve, while decreasing the City's reliance on local government aid. Due to uncertain impacts of COVID-19, the reserves are available for potential future economic downturns. The City will also maintain debt service reserve balances to meet the required principal and interest payments.
- 2. The preliminary General fund operating tax levy increases 2.1 percent in 2021 from 2020. The debt service levy decreased .2 percent from 2020 and the capital levy increases 10.5 percent. The general levy (General fund, debt funds and capital fund) increases a total of 2.8 percent from 2020. The overall levy, including the EDA levy increases is 2.9 percent.
- 3. Fund 275 Capital Fund Council certified a tax levy for 2021 of \$538,000 to fund future capital purchases. The projection includes future levies of a minimum of \$400,000 for this fund. This fund will be analyzed each year as part of the budget process.
- 4. The Water and Sewer enterprise funds are projected with zero percent increases for rates.
- 5. The enterprise funds (Water and Sewer) currently do not have reserve funds set aside to pay for capital/equipment related purchases. Currently all replacements are budgeted annually with respective operating budgets. The financial goal is shown as the third bullet in the financial goals section.
- 6. The Storm Sewer fund had a deficit of \$53,320 at the end of 2019. By the end of the 2025, the deficit is projected to decrease to a deficit cash balance of \$8,173.
- A new bond issuance is planned for 2021 for a street and utility improvements project. We are estimating a \$2 million to \$2.4 million bond issue to finance the Oak Lane, 2<sup>nd</sup> Avenue Lift Station, and 2<sup>nd</sup> Avenue Street and Utility Improvement Project.
- 8. In 2020, the City Council adopted a Street & Utility Reconstruction Scoping Study as prepared by Bolton & Menk Engineering. The Scoping Study identifies proposed street and utility reconstruction projects to be completed in the next several years and it provides estimated project costs which will assist the City Council in planning project priorities and financing

#### **Financial Goals**

- Maintain a minimum 70 percent cash reserve in the General fund. The 70 percent balance will fund half of the budget through June of each year until the 1st half tax settlement is received from the County as well as support potential state aid cuts.
- Maintain positive reserve balances in the City's debt service funds throughout the life of the bonds.
- Ensure enterprise funds (Water & Sewer) maintain an operating cash balance that is equal or above 50 percent of the annual operating expenses plus 100 percent of debt service requirements. In addition to the operating cash balance, a cash balance established to fund future capital purchases based on the capital needs of the fund.
- Build and maintain capital resources in the Capital Fund (275) following the capital improvement/equipment replacement plan.
- Reduce the City reliance on local government aid over a 15 year period.
- Build and maintain positive cash balances in all City funds.
- The City will strive to improve its bond rating which is current rating AA as established by Standard and Poors, by focusing on criteria included on page 11.
- City Council will continue to evaluate and take advantage of refunding/refinancing opportunities for existing bond issues.
- Reduce the tax rate from the current 76% to a rate similar to other cities of the similar size within the county and surrounding area.
- Determining funding mechanisms to fund future street and utility projects while reducing the overall bonded debt outstanding.

New

US\$4.925 mil hsg rev rfdg bnds (Norwood Young America) ser 2020 dtd 06/04/2020 due 08/01/2038

Long Term Rating AA-/Stable New

# **Rating Action**

S&P Global Ratings assigned its 'AA-' long-term rating to Norwood Young America, Minn.'s series 2020A general obligation (GO) street reconstruction and refunding bonds and to Norwood Young America Economic Development Authority's (EDA) series 2020 house revenue refunding bonds. At the same time, we affirmed our 'AA-' long-term rating and underlying rating on the city's GO debt outstanding. The outlook is stable.

The series 2020A, EDA series 2020 bonds, and GO debt outstanding are secured by the city's full faith and credit, including its ability to levy ad valorem property taxes without limitation as to rate or amount. Per the bond documents, the city plans to finance a portion of the series 2020A debt service from a combination of special assessments levied against benefited properties and a portion from net utility revenue. The EDA intends to pay debt service on the EDA series 2020 bonds from net revenue of a 36-unit senior housing facility owned by the economic development authority. We rate the series 2020A and EDA series 2020 bonds to the city's GO pledge, as we view it as the stronger security.

Proceeds from the series 2020A bonds will finance various street improvements and refund a portion of the city's debt outstanding for interest rate savings. The series 2020A bonds will refund a portion of the economic development authority's debt outstanding for interest rate savings.

#### Credit overview

In our view, the city benefits from very high reserves enabled by a history of stable budgetary performance and conservative management practices. Minnesota is under a stay-at-home directive through the COVID-19 pandemic, and smaller businesses are closed in Norwood Young America. S&P Global Economics reports that the COVID-19 pandemic has caused the national economy to fall into a recession (see "An Already Historic U.S. Downturn Now Looks Even Worse," published April 16, 2020, on RatingsDirect), which we expect will cause a near-term economic slowdown at the local level. Despite this pressure, the city's leading taxpayers and employers, composed primarily of food processing, commercial, and residential businesses, remain stable and functioning. Officials expect the city to end with balanced results at fiscal year-end (Dec. 31) 2020 and can postpone capital projects if needed to maintain

structural balance in the near term. However, we believe the city's property taxes serve as a relatively stable revenue stream and that the city's very strong flexibility can help weather recessionary pressures in the near term. Low wealth and income metrics relative to those of higher-rated peers and an elevated debt burden with high carrying charges limit our opinion of the city's credit quality, though we expect the city's financial position to remain stable.

The AA- long-term rating reflects our view of the city's:

- Strong economy, with access to a broad and diverse metropolitan statistical area;
- Strong management, with good financial policies and practices under our financial management assessment methodology;
- Adequate budgetary performance, with operating results that we expect could deteriorate in the near term relative
  to fiscal 2018, which closed with operating surpluses in the general fund and at the total governmental fund level;
- Very strong budgetary flexibility, with an available fund balance in fiscal 2018 of 75% of operating expenditures;
- Very strong liquidity, with total government available cash at 1.7x total governmental fund expenditures and 4.9x governmental debt service, and access to external liquidity we consider strong;
- Weak debt and contingent liability position, with debt service carrying charges at 35.6% of expenditures and net direct debt that is 298.4% of total governmental fund revenue, but rapid amortization, with 74.8% of debt scheduled to be retired in 10 years; and
- · Strong institutional framework score.

### Stable Outlook

#### Downside scenario

We could lower the rating if the city's flexibility significantly weakened, either by a significant use of reserves or prolonged deficit spending.

#### Upside scenario

We could raise the rating in the unlikely event that the city's economy materially expanded and diversified, evidenced by improved economic wealth metrics and a moderation of the city's debt burden.

# **Credit Opinion**

### Strong economy

We consider Norwood Young America's economy strong. The city, with an estimated population of 3,800, is located in Carver County in the Minneapolis-St. Paul-Bloomington metropolitan statistical area, which we consider broad and diverse. The city has a projected per capita effective buying income of 106% of the national level and per capita market value of \$83,658. Overall, the city's market value grew by 7.3% to \$317.9 million in 2019. The county unemployment rate was 2.5% in 2018.

Norwood Young America covers 1,265 acres and is in the southwest corner of Carver County, about 40 miles southwest of the Minneapolis-St. Paul metropolitan area. The city was formed in 1997 from the merger of Norwood

and Young America, and thus has two separate downtown areas that have seen revitalization efforts in recent years. Given the city's location on the edge of the Twin Cities metropolitan area, commuting to downtown Minneapolis and St. Paul is possible, but most residents work in the western suburbs of the two cities. The city is seeing some commercial development and expansion in its industrial park, particularly with the city's largest taxpayer, Par Real Estate LLC, which represents 10.3% of the city's net tax capacity and purchased 8.5 acres from the park in 2018.

Officials report of restaurant and bar closures through Minnesota's stay-at-home directive, which was recently extended to May 18, but stability across its major employers, consisting primarily of food processing companies and manufacturers, and its taxpayers, consisting of commercial, residential, and utility companies. According to officials, the city is continuing to operate, with the majority of staff working. The county had extended the property tax due date by a month to relieve some pressure from taxpayers during the recession. Despite economic uncertainty, officials report of 10 building permits for new homes thus far during 2020 and discussion around the annexation of a 30-acre parcel at the city limits within the next year.

### Strong management

We revised our assessment of the city's financial management assessment to good from standard, reflecting our opinion of the city's newly adopted five-year capital improvement plan in conjunction with other formalized policies and practices.

The city uses three years of historical data and a line-item approach when forming the budget. The council receives budget-to-actual performance reports on quarterly basis. Investments are reported annually in the audit, but management reports of a newly established finance committee that will likely review investment reports more frequently. The city maintains a multiyear financial forecast, and capital needs are assessed on a rolling five-year basis. The city has a formal policy to keep a total general fund balance of 35% of the following year's budgeted general operating expenditures. The city lacks a formal debt management policy.

### Adequate budgetary performance

Norwood Young America's budgetary performance is adequate, in our opinion. The city had operating surpluses of 8.8% of expenditures in the general fund and of 13.5% across all governmental funds in fiscal 2018. Our assessment accounts for our expectation that budgetary results could deteriorate somewhat in the near term.

Our assessment of budgetary performance accounts for event risk stemming from the economic recession and the city's response of potentially postponing capital projects to budget for balanced operations for the current fiscal year.

The general fund benefits from a revenue structure that has historically been stable and predictable, consisting mostly of property taxes (60%) and state aid (19%), referred to as local government aid (LGA) in Minnesota. While we are not aware of reductions to LGA, cuts to certain government types have occurred during recessionary times in the past. However, if reductions are made, we believe the city will appropriately manage its budget to decrease expenditures and maintain mostly balanced operations. We note that the city does not receive sales tax or hotel tax revenue, which we consider more volatile sources.

We have adjusted performance to account for recurring transfers into the general fund and total governmental funds from enterprise funds. We have also adjusted total governmental performance to account for elevated debt service

payments from prepayments.

The city posted surpluses in its operating fund during each of the past three audited fiscal years. Management reports that the city has used growth in property tax valuations and increases in its levy to add to its unassigned fund balance. For fiscal 2019, officials estimate a smaller surplus as a result of slower economic growth. For fiscal 2020, officials budgeted for less LGA revenue in anticipation of possible cuts at the state level, but anticipate a balanced result. Officials report that they levied \$400,000 for capital projects, which could serve as a cushion to the general fund in the interim if the city experiences fiscal distress during the pandemic and ensuing recession.

### Very strong budgetary flexibility

Norwood Young America's budgetary flexibility is very strong, in our view, with an available fund balance in fiscal 2018 of 75% of operating expenditures, or \$1.6 million. We expect the available fund balance to remain above 30% of expenditures for the current and next fiscal years, which we view as a positive credit factor.

Officials have used annual levy increases and conservative budgeting practices to increase its flexibility for the past several years. The city's available operating fund balance increased significantly during 2018 as a result of a reduction in the city's nonspendable interfund receivables from the debt service fund, with help from a one-time sale of land to Par Real Estate LLC. Officials have no plans to significantly draw on reserves over the next two years. Based on the city's history of very strong flexibility and its formal fund balance policy of maintaining at least 35% of operating expenditures in reserves, we anticipate the city will maintain very strong reserves for at least the near term.

### Very strong liquidity

In our opinion, Norwood Young America's liquidity is very strong, with total government available cash at 1.7x total governmental fund expenditures and 4.9x governmental debt service in 2018. In our view, the city has strong access to external liquidity if necessary.

The city has issued debt several times over the past 20 years, supporting our view that it has strong excess to external liquidity. Its investments are primarily in checking accounts and U.S. Treasury obligations, neither of which we consider aggressive. Furthermore, the city has no contingencies that could pressure liquidity in the near term. We expect the city's liquidity position to remain very strong.

# Weak debt and contingent liability profile

In our view, Norwood Young America's debt and contingent liability profile is weak. Total governmental fund debt service is 35.6% of total governmental fund expenditures, and net direct debt is 298.4% of total governmental fund revenue. Approximately 74.8% of the direct debt is scheduled to be repaid within 10 years, which is, in our view, a positive credit factor.

The city's overall net debt includes \$19.4 million in GO debt, of which we give \$7.3 million in self-support credit, and \$3.3 million in overlapping debt. The city plans to issue \$1 million to \$3 million in GO debt over the next two years for street and utility improvements. Given the city's rapid amortization schedule, we do not anticipate that this issue will weaken its debt profile further.

Norwood Young America's pension contributions totaled 2% of total governmental fund expenditures in 2018. The city made its full annual required pension contribution.

We do not believe that pension liabilities represent a medium-term credit pressure, as contributions are only a modest share of the budget. Norwood Young America participates in one multiple-employer, defined benefit pension plan that has seen recent improvements in funded status, though plan statutory contributions have regularly fallen short of actuarial recommendations. Along with certain plan-specific actuarial assumptions and methods, this introduces some long-term risk of funding volatility and cost acceleration. The city does not provide other postemployment benefits.

The city participates in the following plans:

- Minnesota General Employees Retirement Fund (GERF): 80.2% funded (as of June 30, 2019), with a city proportionate share of the plan's net pension liability of \$492,000
- Statewide Volunteer Firefighter Retirement Plan: 91.8% funded (Dec. 31, 2018), with a net pension liability of \$64,000.

Total contributions to GERF were 89% of our minimum funding progress metric and were slightly above static funding. Annual contributions are based on a statutory formula that has typically produced contributions lower than the actuarially determined contribution. In our view, this increases the risk of underfunding over time if the state legislature does not make adjustments to offset future funding shortfalls. Other key risks include a 7.5% investment rate-of-return assumption that indicates some exposure to cost acceleration as a result of market volatility, and an amortization method that significantly defers contributions through a lengthy, closed 30-year amortization period based on a level 3.25% payroll growth assumption. Regardless, costs remain only a modest share of total spending, and we believe they are unlikely to pressure the city's medium-term operational health.

The Norwood Young America Fire Department participates in the Statewide Volunteer Firefighter Retirement Plan, an agent multiple-employer lump-sum defined benefit pension plan administered by the Public Employees Retirement Assn, of Minnesota. The plan covers volunteer firefighters of municipal fire departments or independent nonprofit firefighting corporations that have elected to join. As of Dec. 31, 2018, the plan covered 29 active firefighters and seven vested terminated firefighters whose pension benefits are deferred. The plan meets 102% of our static funding metric and 113% of our minimum funding progress calculation. Based on its relatively small net pension liability as a portion of budget and more conservative assumptions, including a 6% discount rate, we do not believe that this plan poses medium-term risk.

### Strong institutional framework

The institutional framework score for Minnesota cities with a population greater than 2,500 is strong.

RE:

Award Drainage Ditch Clean-out Quotes

The City solicited from four contractors to clean out 3,485 feet of drainage ditch in 3 separate locations in the city. If the weather cooperates, planned is to complete some of the work in 2020 and the remainder in 2021. As the budget allows, I plan to solicit quotes to clean out additional ditches in 2021.

We currently have for drainage ditch cleaning \$20,950 remaining in the 2020 budget and \$37,000 is budgeted in 2021.

Once the quotes are awarded, I will contact the landowners and obtain signed Right-of-Entry agreements to enter private property to gain access to the ditches. We will have all agreements and proper permits in place before we start the project.

Enclosed is a copy of the request for quotes and the three quotes we received for each area. Also, enclosed are aerial photos highlighting the ditch areas proposed to be cleaned out. The following quotes were received:

### Friendship Park

| Schneider Excavating | \$7,550  |
|----------------------|----------|
| Litzau Excavating    | \$9,050  |
| Henning Excavating   | \$10,100 |

### 4th Ave and 4th St.

| Litzau Excavating    | \$11,300 |
|----------------------|----------|
| Schneider Excavating | \$15,900 |
| Henning Excavating   | \$18,350 |

### 3rd Ave SE and south of 2nd St

| Schneider Excavating | \$4,000  |
|----------------------|----------|
| Henning Excavating   | \$9,800  |
| Litzau Excavating    | \$10,000 |

# Norwood Young America

Page 2 December 14, 2020

### **Proposed Motions:**

Motion to approve hiring Schneider Excavating to clean out the Friendship Park Ditch in the amount of \$7,550.

Motion to approve hiring Litzau Excavating to clean out the  $4^{th}$  Avenue and  $4^{th}$  Street ditch in the amount of \$11,300 contingent upon the City obtaining Right-of-Entry Agreements from the abutting property owners.

Motion to approve hiring Schneider Excavating to clean out the  $3^{rd}$  Avenue and south of  $2^{nd}$  Street ditch in the amount of \$4,000

# REQUEST FOR QUOTES DRAINAGE DITCH CLEAN-OUT

City of Norwood Young America 310 Elm Street W. P.O. Box 59 Norwood Young America, MN 55368

### I. GENERAL PROVISIONS

A. The City of Norwood Young America is accepting quotes to clean-out a segment of drainage ditch. Responses submitted must provide complete information as indicated in this request. Please submit quote by 8:00 a.m., Thursday December 10, 2020.

City of Norwood Young America

Attention: Tony Voigt

P.O. Box 59

Norwood Young America, MN 55368

B. Questions and inquiries regarding this request should be directed to:

**Tony Voigt** 

**Public Service Director** 

P.O. Box 59

Norwood Young America, MN 55368

(320) 761-5008

tvoigt@cityofnya.com

### C. Scope of Work

The City of Norwood Young America is accepting quotes to clean-out a 1,325-foot segment of drainage ditch located within the city at Friendship Park. Enclosed is a GIS Map indicating the location ("Orange highlight") of the drainage ditch area to be cleaned out.

### Sediment Removal

A minimum of 1-foot of accumulated sediment is to be removed. A flat bottom plane is to be created as illustrated in the enclosed "Ditch Cross Section".

# Tree Removal

The City will assist in tree removal that impedes equipment from accessing the ditch. The City will cut the trees necessary and will require the awarded contractor to assist dragging tree debris to a suitable location whereas the city will chip and remove said debris.

# **Drainage Ditch Access**

Access to the drainage ditch will be required from public property such as street right-of-way. All work is to be completed within the ditch. The City has not secured any easements to access private property. At no time shall equipment drive onto or sediment material be placed onto private property.

# Disposal of Sediment Material

Sediment material may be dumped onto City property located at 123 Reform Street N (Oak Grove property). The City will determine exact dumping location on site. The city has another dump site off Tacoma Ave if weather permits. In the alternative, the Contractor may haul and dump the sediment material at another location outside the city.

### I. GENERAL PROVISIONS

A. The City of Norwood Young America is accepting quotes to clean-out a segment of drainage ditch. Responses submitted must provide complete information as indicated in this request. Please submit quote by 8:00 a.m., Thursday December 10, 2020.

### C. Scope of Work

The City of Norwood Young America is accepting quotes to clean-out a 1,075-foot segment of drainage ditch located within the city located off 3<sup>rd</sup> Ave SE just south of 2<sup>nd</sup> St SE. Enclosed is a GIS Map indicating the location ("Orange highlight") of the drainage ditch area to be cleaned out.

### Sediment Removal

A minimum of 1-foot of accumulated sediment is to be removed. A flat bottom plane is to be created as illustrated in the enclosed "Ditch Cross Section".

### Tree Removal

The City will assist in tree removal that impedes equipment from accessing the ditch. The City will cut the trees necessary and will require the awarded contractor to assist dragging tree debris to a suitable location whereas the city will chip and remove said debris.

### **Drainage Ditch Access**

Access to the drainage ditch will be required from public property such as street right-of-way. All work is to be completed within the ditch. The City has not secured any easements to access private property. At no time shall equipment drive onto or sediment material be placed onto private property.

# Disposal of Sediment Material

Sediment material may be dumped onto City property located at 123 Reform Street N (Oak Grove property). The City will determine exact dumping location on site. The city has another dump site off Tacoma Ave if weather permits. In the alternative, the Contractor may haul and dump the sediment material at another location outside the city.

#### Project Schedule

The scope of work is to be completed before the end of this winter or April 30, 2021.

### D. Insurance

The Contractor shall carry the following minimum limits of insurance coverage and provide proof of such to the City. The City shall be listed as an Additional Insured.

Commercial General Liability \$1,500,000 per occurrence for bodily injury and property damage

Automobile Liability \$1,500,000

Workers Compensation \$1,500,000 and Employers' Liability

### E. Quote

Quotes should be provided as a whole dollar amount for the entire scope of work.

#### F. Disclaimer

The City of Norwood Young America shall not be liable for any costs incurred by a contractor in responding to this request for quotes or for any costs associated with discussions required for clarification of items related to this quote.

**Emergency Plan for Snow Removal** 

It was directed to form a plan if we need to implement an emergency response for snow removal due to employees being COVID-19 quarantined. I have included measures we will implement if needed.

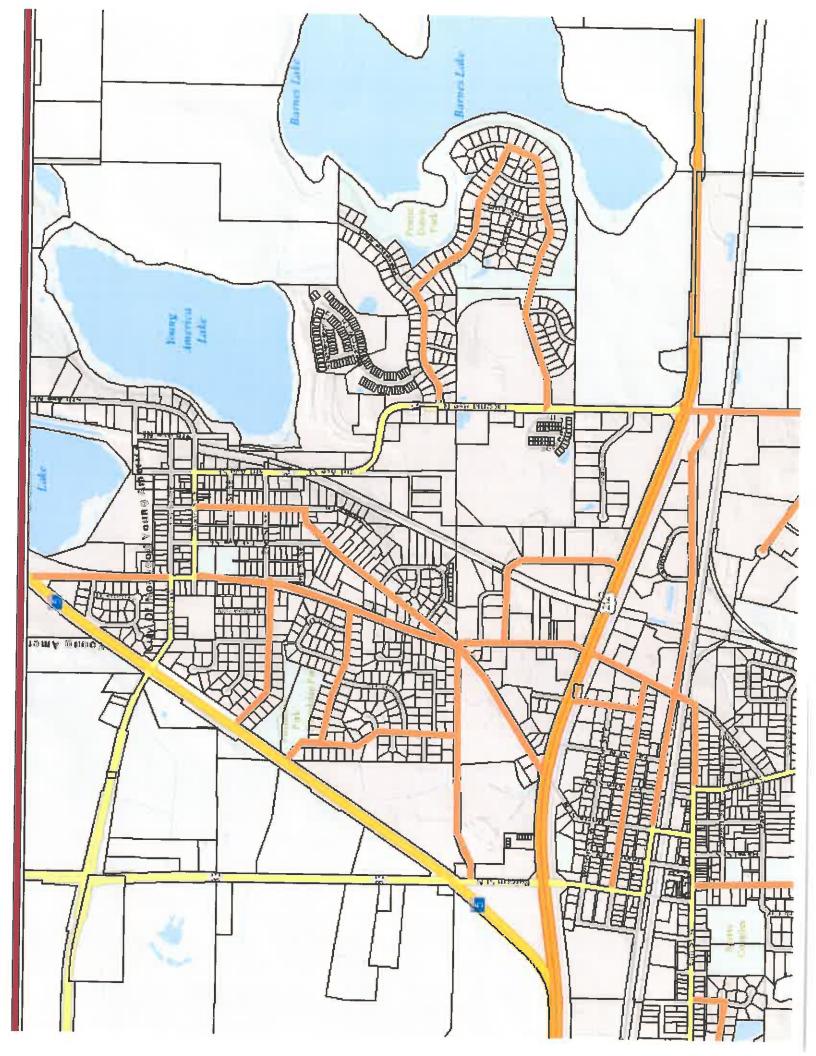

The City has advertised for temporary snow removal workers and to date we have received two applications. We are seeking additional applicants. I feel if it would be sufficient if we had 3-4 temporary employees to be utilized on as needed basis. The temporary workers would be utilized in the event we have two or more full-time employees absent. Currently all Public Service Department employees have a CDL and could drive the main snowplow trucks.

## **Snow Plowing Decision Making**

- The Public Services Director oversees all plowing operations. If I am quarantined but still able, I will
  monitor the weather and make the decisions. I will be the point of contact if problems arise.
- If the Public Services Director is unavailable, the Public Services Lead in Public Works will make the necessary decisions for snow plowing responses.
- If the Public Service Director and Public Service Lead are both quarantined, the senior Public Service Worker will make the necessary decisions and communicate them to the City Administrator.

## **Snow Removal Priorities and Routes**

- The priority is to plow open the main thoroughfares and keep the fire stations open. Enclosed is a map of the priority routes which have been highlighted in "orange". The streets highlighted in "yellow" are County Roads and maintained by Carver County.
- The second priority is to plow open the side streets, alleys, and parking lots.
- The third priority is sidewalks and trails.

Re:

Liquor Licenses during COVID 19 Shelter in Place

Date:

December 14, 2020

On November 18, 2020, based on Governor Walz issued Executive Orders 20-99, several of our local businesses selling on-sale liquor have been again shut down.

For Norwood Young America, \$8850 is collected each year for liquor licenses (not including local ball teams and civic organizations). For us, the total amount of money refunded for one month would be \$691.65 for the local businesses with an on-sale license that have been closed since March 17th. Each business - Gasthouse, Lazy Loon Lanes, Northside Grill, Last Call Too and Pour House Pub - would be refunded a pro-rated amount based on their paid fees.

Recommendation: Businesses selling on-sale liquor would be refunded a pro-rated amount based on their on-sale/off-sale fees for the months of March, April and May.

## Comparison of 2020 Fees in Carver County

|             | On-Sale License Fee | Off-Sale License Fee | Sunday License Fee |
|-------------|---------------------|----------------------|--------------------|
| NYA         | 1200                | 200                  | 200                |
