

## A Message From Mayor Lagergren

Spring is just around the corner ... actually the official first day of spring in Minnesota is Sunday, March 22nd. Spring is my favorite season! I love the sounds of children playing outside again. I love the green grass peeking through the piles of dirty snow. I love hearing the birds singing outside my window. Everything feels fresh and new and the possibilities and opportunities are limitless. To me, spring is the season of hope!

What should you be watching for this spring? **Look for people enjoying more time outdoors.** You might see people using the trails more. Although we have new lighting along the newest trail beside Highway 212, people won't be needing that extra illumination as our hours of sunlight are growing longer. This week, as I was driving through town, I even saw the High School track athletes starting their training season and preparing for their upcoming meets. If walking and running aren't your thing ... watch for the new pickleball lines on the tennis courts in Friendship Park. Thanks to Gus and Julie Wischnack for donating the materials and labor to make our tennis courts even more user-friendly!

**Look for continued work on Second Avenue.** The City Council has approved the second phase of the reconstruction of Second Avenue. This summer and fall, you will see work completed from Devonshire Drive to Main Street, with a special change at the intersection of Second Avenue and Shady Lane. In addition, you will continue to see staff and contractors focusing on the ongoing maintenance of our streets — patching potholes, crack filling and seal-coating. Completing the work on updating our streets is a priority for this Council and expect to see even more work in the future!

**Look for groundbreaking around town — both residential and commercial.** This spring, Greenwood Marina will be the final business in our completed Tacoma West Industrial Park. We look forward to breaking out the gold shovels as we celebrate their entrance into our business community! In addition, we hope to see new homes constructed in the Meadows. With the heightened awareness of our community as the western edge of the four lane expansion on Highway 212, we look forward to even more development in the future!

**Look for the recently approved expansion at Central Schools.** We are so excited to see the great enhancements coming to our local school district. We are especially proud of the partnership with Central Schools that allowed an indoor four lane walking track as part of the gymnasium expansion project. We love working together to provide even more opportunities to our residents. Also, a special shout out to Mr. Hallquist and his Middle School Computer Application students. As part of a school project, they wrote letters to the city sharing their thoughts and recommendations on how we can better support our youth. Their letters were shared with the Council and the Park and Recreation Commission. Our young adults have a unique and important perspective and we are so thankful they took the time to share their thoughts.

To our citizens, we value your input. Each of you also have a unique and important perspective to share on how we can serve you best. We may not be able to address your needs immediately, but we do listen to your ideas. After all, **Norwood Young America is more than a place, it's our home ... and in OUR home, everyone has a voice!**

## History of the Merger

In 1974, the first referendum vote to merge the cities of Norwood and Young America passed in Norwood but not in Young America. However, the idea of one community did not go away. Starting in 1995, committees were established to begin the merger process. The committees studied several areas; Fire Department, Public Works, Wastewater Treatment Plant, Post Office, City Buildings, Policing, etc. As committees collected results, public meetings were held to inform the residents and get input.

In September of 1995, both City Councils decided that a combined majority of votes between both cities would determine if the Merger would pass, rather than counting votes separately in both cities as in the past. The question passed with the vote of 604 to 307. During 1996, the City Councils met as one unit in order to plan a smooth transition to one city for employees and residents.

**Thank you to the following individuals who were members of the combined council:**

**Last Young America Council - Steve Udell (Mayor), Carolyn Durbin, Kathy Green, John Noll, and Bob Saarloos**

**Last Norwood Council - Gene Miller (Mayor), Dorothy Bohnen, Tim Irvin, LaVonne Kroells, Mike McPadden**

## Welcome, Modern Design Cabinetry to NYA!

The NYA Area Chamber of Commerce, NYA Economic Development Commission and City Council had a Ribbon Cutting recently welcoming Modern Design Cabinetry to NYA. Troy & Jo Eiden expanded their custom cabinetry business to NYA this last fall. Operations are to start in Spring 2022. Modern Design Cabinetry is located at 710 N Faxon Rd. If you are interested in learning more about Modern Design Cabinetry or seeking employment, please call 952-466-4766.

## Do You Know How to Report a Concern to the City?

For all *non-emergency related city questions or concerns* (i.e. snow removal, sidewalk issues, etc.) you are welcomed to call NYA City Hall at 952-467-1800, email [info@cityofnya.com](mailto:info@cityofnya.com), send a message on Facebook @cityofnya, or visit the city website at [www.cityofnya.com](http://www.cityofnya.com) and click the red box as shown below. NYA City Hall office hours are Monday—Friday, 8:00am—4:30pm.

The after-hours Public Service emergency line for instances such as watermain breaks or sewer backup, please call 952-769-7284.

Did you know that all streetlights in NYA are owned and maintained by Xcel Energy? If there is a streetlight outage or repair, please call Xcel Energy at 1-800-960-6235.

**Watch for upcoming information about summer 2022 swimming lessons and open swim opportunities at the West Carver Community Pool in the April 2022 city newsletter!**

We Thank Jon Anderson and Mi-Box for Sponsoring Outdoor Storage and Protection for the Plants!

## NYA Library News—March 2022

The Friends of the Norwood Young America Library have expanded their selection of gently used books available at the bookstore that is open all the hours the Library is open. And the Friends are also getting ready for a great schedule of booksales in 2022. The next booksale at the Norwood Young America Library will be March 31 through April 2. There will also be a large booksale on June 4 during the Artisan Fair, and Oct. 20-22. Be sure to mark your calendar now.

Your donated books help raise funds for library programs and the Your Lucky Day collection. So as you do your spring cleaning consider donating newer books to the Library. Please keep in mind that the Library is not able to accept older books, textbooks or encyclopedias. And while you are noting the booksales on your calendar, also browse the Library's schedule of events at [www.carverlib.org](http://www.carverlib.org) or stop by the Library for the new spring brochure. The Arts In April and Music In May series are right around the corner. And every Tuesday morning at 10:30 there is storytime for pre-K children. There truly is something for everyone on the Library's schedule of events.

The Library continues to partner with EVERYMEAL.org to serve families who are experiencing food insecurity. Nutritious non-perishable food can be picked up at the NYA Library. These meal bags contain a variety of fruits, vegetables, grains, proteins and entrees and are free for any family, no qualification requirements and no contact information is collected. See [www.everymeal.org](http://www.everymeal.org) for more information about this program that is working in partnership with the Carver County Library and Carver County Health and Human Services.

### BOOK SALE

### Friends of the Norwood Young America Library Book Sale

Thursday, March 31 from 1:00 to 8:00pm

## Do You Know How to Recycle a Household Battery?

Hopefully, you took the extra time last weekend, when you reset your clocks to also check your smoke detectors. If so, you may have some used batteries to dispose of. Batteries are essential for today's "unplugged" lifestyle, but they also contain toxic metals, such as lead, cadmium and lithium that are released into the environment when disposed or recycled the wrong way.

All types of non-alkaline batteries, especially lithium, or Li-ion, also hold a small amount of charge, called a "residual" charge, after they are no longer strong enough to run a camera, toy or other product. The residual charge or energy may be released as heat or fire if batteries are damaged or punctured. Batteries should always be stored so that the terminals (or + and - ends) are not touching each other or any type of metal. Store them in their original packaging which is designed to keep terminals separated or tape all battery ends or terminals (except alkaline which are not a fire hazard).

The first thing to know is that batteries placed in your curbside recycling bins won't be recycled. They can't be picked out by the equipment designed to crush and sort large volumes of paper, glass and plastic. They are small and may be damaged by equipment designed to break down larger recyclables. Batteries that are damaged by a compactor truck or recycling facility equipment may start all of the recyclables on fire! Fires caused by lithium and other batteries have resulted in the damage or complete destruction of several recycling facilities in Minnesota.

All batteries with the word "Alkaline or Alkaline", "General Use" or "Carbon Zinc" on the label can be placed in the garbage, since the recyclable content is low and they are not a fire hazard. Very few HHW and retail sites collect these batteries for recycling, contact them ahead of time to find out. All other batteries can be recycled at the Carver County Environmental Center at 116 Peavey Circle in Chaska.

## Carver County Government Center and Service Center

### Make your Passport appointments today!!

You must apply in person if at least one of the following is true:

- You are applying for your first U.S. passport
- You are under age 16
- Your previous U.S. passport was issued when you were under age 16
- Your previous U.S. passport was lost, stolen, or damaged
- Your previous U.S. passport was issued more than 15 years ago

Two convenient locations to choose from:

Carver Co Gov't Center, 600 E 4th St, Chaska  
Chanhasen Service Center, 7808 Kerber Blvd, Chanhasen

To make an appointment, call  
952-361-1903 or schedule online at  
[www.co.carver.mn.us/passports](http://www.co.carver.mn.us/passports)

For more information, call 952-467-  
1903 or visit [www.travel.state.gov](http://www.travel.state.gov) or  
[www.co.carver.mn.us/passports](http://www.co.carver.mn.us/passports)

**Saturday, April 30th**  
**8:00am—Noon**

Central High School South Parking Lot  
531 Morse Street (map on back page)

## NYA Spring Clean Up Day

This **FREE** event is for **NYA CITY RESIDENTS ONLY** who reside within the city limits — businesses are not included. This drop-off event is for non-hazardous household waste/junk. Participants will be asked to show proof of residency such as a driver's license and/or water bill. This drop-off event is for all residential dwellings including apartments and manufactured homes.

### ACCEPTABLE HOUSEHOLD WASTE/JUNK—ITEMS FOR DROP-OFF

- ◆ Furniture items (couches, chairs, tables, lamps, mattresses, box springs, etc.)
- ◆ Small amounts of remodeling materials (carpet, siding, drywall, concrete blocks, bricks, etc.)
- ◆ Miscellaneous items such as kids toys, playground sets, doors, windows, toilets, etc.
- ◆ Participants are asked to bag and box the loose materials as much as possible

### UNACCEPTABLE ITEMS

- ◆ Regular household weekly garbage or recyclable items
- ◆ Vehicle tires, appliances, any electronics, batteries, fire extinguishers, propane tanks, prescription drugs
- ◆ No hazardous waste such as paints, liquids, chemicals, asbestos materials, herbicides, pesticides, household cleaning products, lawn chemicals, lighter fluid, mothballs, lye, pool chemicals, nail polish remover, solvents, spot removers, stains and finishers, etc.
- ◆ No motor oil/filters, oil rags, petroleum products/containers, anti-freeze, brake fluid
- ◆ Fluorescent tubes/lights, incandescent light bulbs
- ◆ Cement, asphalt, large quantities of demo material
- ◆ No yard waste (grass clippings, shrubs, plants, tree limbs, leaves, garden waste)

The **Carver County Rural Recycling Drop-Off** Site in Norwood Young America is open to all residents and businesses year round for general recyclables—fibers, plastics, metal and glass.

**Location: 421 W Railroad Street, NYA**(SW corner of Railroad & Reform)

**Hours: April—November: Wednesday 3pm-6pm; Saturday 8am—12pm**

**CARVER**  
**COUNTY**

## Carver County Special Waste Drop-Off Event

**Saturday, May 21, 2022**

**8am—Noon**

Norwood Young America

Central High School Parking Lot

521 Morse St, NYA 55368

**All Carver County residents are welcome to utilize these collections.**

### Accepting from Residents:

Appliances	E-Waste
Fluorescent Lamps	Scrap Metal
Auto Fluids	Paint
Other Household Chemicals	Tires

**Disposal fees apply to certain items. Please contact Environmental**

**Services for pricing specifics and information on management of business waste.**

**\* No Furniture \* No Mattresses \* No Garbage \***

Recycling items will not be accepted. Recycling items can be dropped off at Carver County's Recycling Site located at 421 Railroad St W.

## NYA Compost Site

640 Tacoma Blvd  
(located within the Tacoma West Industrial Park)

The NYA Compost Site is available to citizens who reside within the city limits of Norwood Young America.

There is no charge for disposal of yard, garden and tree waste. Watch for specific areas for dropping off your yard waste. And please do not dump any garbage at this site!

## Turn On Your Lights

The everchanging springtime weather brings fog, black ice, rainstorms, and of course, the possibility of more snow. Please remember to always have your headlights on—not just at night, but also during the day!

## Do you know what the speed limit around school is?

Clearly some people don't :) 15 miles per hour! The signs that surround schools read "15 miles per hour when children are present." Central School hours are Mon– Fri from 8am–3:15pm. Please don't drive over 15 miles per hour Mon–Fri from 8am–3:15pm. Thanks!

To contact, Deputy Jordan Voigt, please call 952-361-1248 or email [jvoigt@co.carver.mn.us](mailto:jvoigt@co.carver.mn.us). For a non-emergency event call 952-361-1231. When in doubt, call 911.

## Serving Those in Need

The Young America VFW Post 1783 and Norwood Legion Edward Born Post 343 have crutches, walkers and wheelchairs available for anyone in need. Equipment may be used at no cost and returned when no longer needed. For more information, call Ron Kroells 952-913-3496 or Larry Panning 952-261-8632.

## Norwood Young America Fire Department wants you!

The Norwood Young America Fire Department is a paid-on-call fire department that provides emergency response services for the City of Norwood Young America. The department is also currently responsible for responding to emergencies in parts of the surrounding townships of: Hancock, Camden, Young America, Waconia and Benton.

### Minimum Requirements:

- \* Must be a minimum of 18 years of age

- \* High School Diploma or GED

- \* Valid Minnesota Drivers License

- \* Must live within reasonable time of fire station

If you would like to be considered for a position with the NYA FD, contact Fire Chief Zumberge at NYA City Hall at 952-467-1800 or visit the city website at [www.cityofnYA.com](http://www.cityofnYA.com).

## 2022 NYA Legion Park Playground

The NYA Parks & Recreation Commission has developed a plan to replace the playground equipment at NYA Legion Park. The current equipment has become cracked and faded, however, definitely served its purpose of safe entertainment and physical play for all those children and visitors of the park!

The NYA Parks & Recreation Commissioners have been preparing for this project for over a year by researching multiple vendors and designs. The attached renderings show the details and location—which will replace the current equipment in its entirety—and will be purchased from and installed by Landscape Structures.

This year, the 2022 NYA Parks & Recreation Commission budget includes \$35,000 to put towards its goal to replace the playground equipment at NYA Legion Park. When our community comes together for the common good, great things happen here in Norwood Young America!

**For additional information on the NYA Legion Park Playground project, contact Public Service Director Tony Voigt at 952-467-1830 or email [publicservices@cityofnYA.com](mailto:publicservices@cityofnYA.com).**

**City of Norwood Young America, 310 W Elm St, PO Box 59, NYA, MN 55368**

for the Direct Payment  
Authorization form or  
stop by City Hall  
to pick up a form.

## Recreational Fires

Recreational fires are required to be at least 25 feet from all buildings, structures or combustible materials such as wood, paper or plastics. A fire should be no larger than three feet in diameter by two feet in height, using dry, clean wood; for recreational, ceremonial, food preparation or social purposes. Recreational fires must be constantly attended until the fire burns out completely or is extinguished by either an on-site fire extinguisher, dirt, sand or garden hose. These must be readily available at all times until the fire is extinguished.

## Sump Pump Regulations

All sump pumps must be day-lighted into your yard or into the storm sewer—not into your neighbors yard or a public sidewalk. Sump pumps should also not be connected into the sanitary sewer! Doing so results in the treatment of unnecessary amounts of water, putting additional strain on the treatment system and raising prices for everyone.

## Golf Cart/ATV Permit

Chapter 7 of the NYA City Code allows for a person to drive a Golf Cart or Class 2 ATV on City streets as long as a permit is obtained and the operator has a valid driver's license. There is an annual permit fee of \$10.00 for these recreational vehicles. Applications can be filled out right at City Hall or found on the City website at [www.cityofn्या.com](http://www.cityofn्या.com).
