Join the NYA Economic Development Commission in partnership with the Central Trades & Advisory Group on Wednesday, October 25th in recognizing and appreciating the manufacturers of Norwood Young America. Seven (7) local manufacturers will be offering tours of their facilities to local students and the public. Learn about the reality of modern manufacturing careers and their goals of helping the community and future generations thrive.

Please RSVP by Friday, October 20th if you are planning to attend the luncheon. To RSVP, please call 952-467-1810 or email [economicdev@cityofnya.com](mailto:economicdev@cityofnya.com).

***"Today's manufacturing jobs offer high-paying opportunities to work with cutting-edge technologies in a wide range of fast-growing fields. Driven by a renewed investment in U.S. manufacturing innovation, the growth potential for these jobs is high—more than 1.3 million manufacturing jobs have been added to the U.S. economy over the past decade. These jobs require skills that many Americans already have and don't necessarily need a college or advanced degree to do, making it easier to upgrade to a manufacturing career than you might think."***
